ARGE Jugendcoaching Consortium Youth Coaching

Vera Sokol
Vienna, 15th November 2018

www.jugendcoaching-tirol.at

background, idea and aim

- > unemployment rate for persons with only 9 years education was very high
- > prevent drop out important
- > higher education and vocational training at least until 18 years
- > Early School Leavers (FABAs) 8,8% (between 15 and 17 years)
- > NEETs (Not in Education Employment or Training) 7,7% on 9th position in EU
- > FABAs and NEETs still 8% in this age range to 24 years
- > studies and project ideas to prevent drop out lead to the concept Youth Coaching
- > August 1st 2016 new Law for obligation to education until 18 years in Austria → implementation July 1st 2017
- > important operative role for Youth Coaching all over Austria

background, idea and aim for Youth Coaching

- > support during transition from school to profession
- > education and profession for all youth → including all kinds of support needs
→ first support in Austria which was 100% inclusiv
- > gate keeping and statutory obligate for NEBA - services
- > prevention
- > intervention → case management
- > low-treshold service
- > pro-active social work → hard to reach youth
- > intense relationship as method
- > cooperation with school system and youth support network
- > support in living environment and individual network

tasks of Youth Coaching

- > information to parents and youth about compulsory education until 18
- > offer support to find the right education, schooling or vocational training
- > individual personal support in situations with social problems
- > JUHA-Coaching
- > clearing, professional orientation and support in decision making
- > case management
- > training-on-the-job and individual profile of competences
- > complete application documents
- > individual reports with perspective plans
- > support to stay in school system
- > support in transition to follow up systems

development of Youth Coaching in Austria

- > pilot projects 2012
- > evaluation
- > calls in all Austrian provinces
- > implementation all over Austria 2013
- > meanwhile about 52.000 participations

- > **Consortium Youth Coaching Tyrol**
 - > one of 3 providers in Tyrol
 - > one of 35 Austrian projects with 23 coaches
 - > 1.400 succesfull supports p.a.
 - > consortium of 4 partner organisations

Consortium Youth Coaching ARGE JU - Why?

- > experiences, concepts, methods and field-competences from diverse partners
 - ✓ **innovia**: peer support, counseling of companies to hire employees with disabilities, education of persons with disabilities, refugees and migrants, (leading) partner international projects
 - ✓ **AufBauWerk**: qualification of young persons with disabilities, learning support during school and job, vocational on-the-job-training
 - ✓ **arbas**: NEBA-projects and clearing, Youth Coaching in secondary schools and special schools
 - ✓ **pojat**: umbrella organisation of all youth centers and mobile youth work in Tyrol
- > from the beginning not only as cooperation but as the base of our concept
- > as equal partners who think, design, experience and work together
- > steering group of all partners meet every two month

chances and challenges of this consortium

- > different culture of these different organisations
- > walking-the-talk → from intended cooperation to systematic cooperation
- > linking open youth work to Youth Coaching and reaching the-hard-to-reach
- > from 50% NEETs to 73% NEETs
- > connection of all target groups and all needed competences
- > pilot project to develop standards and requirements to reach a special target group of hard-to-reach in cooperation with youth centers
- > cooperation instead of competition
- > lead organisation and partner organisations
- > no esf-financing in Austria possible
- > future calls → not sure if a consortium is still possible
